### California Foundation for Agriculture in the Classroom Apple Awards

### CALIFORNIA FOUNDATION FOR AGRICULTURE IN THE CLASSROOM

The California Foundation for Agriculture in the Classroom thanks the 100 organizations and individuals who have contributed gifts totaling \$30,000 over the past 30 years. This core group of donors brought a vision to life. Throughout the years, many more individuals and organizations have given, allowing Ag in the Classroom to expand its reach, touching the lives of more than 15 million students. As a celebration of this achievement, donors are being presented with a 30th anniversary Apple Award at special events throughout the year. Thank you to this esteemed group for your commitment to agricultural literacy.
