Each county may apply for up to \$1,000 of Agriculture in the Classroom Assistance Funds to enhance local student focused agricultural literacy efforts. Applications may be submitted throughout the year with appropriate receipts and/or documentation of expenditures.

Acceptable Uses of Agriculture in the Classroom Assistance Funds include:

- Sponsor agriculturally related student activities and field trips
- Sponsor summer agricultural seminar activities and/or teacher workshops
- Sponsor teacher attendance at the California AITC Conference or other AITC events and activities
- Purchase agricultural education resources such as books, lesson plans, garden supplies for schools, etc.
- Contact the CFAITC office for approval of other uses prior to submitting the application

* Procedure

Complete the sections above. In order to receive funds, attach receipts of expenditures and include with this application. Photocopies are acceptable.

County President/Manager (signature)

AITC Volunteer Chair/Contact (signature)
